## AWAITING ACCURACY OF REPORT

**British Government Has Not Heard Officially of Alleged Interview**

## THE MEXICAN SITUATION

**Together With Remarks Attributed to Great Britain's Minister to Mexico is Causing Much Comment in Diplomatic Circles.**

**(ASSOCIATED PRESS TELEGRAM)**  
London, Oct. 23.—Not a word has been heard officially in regard to the alleged interview given by Sir Lionel Carden, British minister to Mexico, to which despatches from Washington say that the United States government takes exception. No action will be taken in this direction unless the British government's attention is drawn to the matter officially.

Diplomatic circles here cannot believe that a man of the experience of Sir Lionel Carden would publicly criticise the policy of another government.

The greatest confidence is imposed in the minister by the government here. Should the United States object to what he is credited with saying, the usual course would be for Washington to inquire from the American representative in Mexico as to the accuracy of the report before.

Washington, Oct. 23.—Development.

In the absence of any definite news from British official quarters, newspaper comment on the Mexican situation today was generally confined to brief paragraphs, questioning the genuineness of the alleged interview given by Sir Lionel Carden, the British minister to Mexico, in which he is said to have remarked that "the Washington government does not understand the situation in Mexico." Most of the papers urge a speedy disclaimer of the interview, declaring that the Americans, being nearer the spot, are better able than Great Britain to judge where the shoe pinches.

The Pall Mall Gazette says:

"We ought to recognize that British interests in Mexico are merely commercial, while those of the United States are national and are therefore paramount. The friendship of the United States is more important to Great Britain than to any other concession."

Walter Hines Page, the American ambassador, said he had no intention of going to the British foreign office today.

## PRESIDENT IN CONFERENCE WITH SECRETARY BRYAN

**(ASSOCIATED PRESS TELEGRAM)**

Washington, Oct. 23.—Developments attending General Felix Diaz's attempts to campaign for the Mexican presidency and the latest turn in the situation between the United States and Great Britain over the latter's attitude toward Mexico, engaged the attention of President Woodrow Wilson and Secretary Bryan in conference during the day.

The disposition of all officials here to maintain absolute silence with regard to the inquiries of Ambassador Page at London indicated that the whole affair will be handled in the quiet realm of diplomacy and no expressions of policy were looked for on the subject, either from London or Washington. There was confidence that further and more intimate discussion of details would result in a friendly understanding but in the meantime every effort is being made to envelop the incident in secrecy. As the elections of October 26 approach, the administration here is in a waiting mood. Huerta's attitude leads to the belief that an announcement from the American government pointing to the inability of his government to conduct a free and fair election may be expected.

Meanwhile, Constitutionalists are reported to be making every effort to establish a civil government so as to strengthen their claims for recognition or at least to moral support for their cause.

Upon advices from the embassy at Mexico City of the arrest of Diaz and Evaristo Madero, brother of the late president, Secretary Bryan today directed Charge O'Shaughnessy to use his good offices with the Huerta government to obtain a fair trial for the two accused.

## GEN. DIAZ REMAINS AT VERA CRUZ

**(ASSOCIATED PRESS TELEGRAM)**

Vera Cruz, Mex., Oct. 23.—General Felix Diaz remained here today surrounded by a handful of followers. He admitted this morning that no definite time had been fixed for his return to the federal capital and he will not proceed there tonight although most of his partisans, includ-

ing Jose Luis Requena, who is running for the vice-presidency of the same ticket, have left for Mexico City.

General Diaz asserts that he has received no orders to leave Mexico. The list of those arrested in connection with his return to Mexico was increased last night to 17.

**(MONTGOMERY ST. BIRMINGHAM)**

Dallas, Texas, Oct. 23.—A dispatch to the Times Herald from a reliable source on the Mexican border announced that Constitutionalists had surrounded Monterrey, Mexico, and expected to assault that city today. Monterrey is the most important city in northern Mexico.

## Murdered Entire Village Population

**(ASSOCIATED PRESS TELEGRAM)**

Mexico City, Oct. 23.—Revolutionaries yesterday murdered the entire population, numbering about 50 of the village of Chelan Atzurin, in the state of Michoacan, while they were defending the village church against looters. The villagers fought until their ammunition was exhausted and then used machetes, stones and clubs to beat off their assailants but they were eventually overcome and killed, and the village was burned to the ground.

Rebels are reported to have tortured Lieutenant Bracamontes and two soldiers belonging to a small federal garrison stationed near Cameron, south of Nuevo Laredo, after killing the remainder of the federal troops. The rebels are said to have skinned the soles of the feet of their three prisoners, walked them several miles and then beheaded them with machetes because they refused to shout for Carranza.

## NINE LIVES ARE LOST IN THE STORM

**(ASSOCIATED PRESS TELEGRAM)**

New Orleans, Oct. 23.—A terrific storm that is reported to have taken at least nine lives injured almost half a hundred persons and done great property damage swept over a narrow strip of southern Louisiana early today. Wires are down southwest of this city and news of the storm's damage did not reach here until after noon.

All wires to southwest Louisiana are down. Nothing at all of what had happened in a large section of the state was available. At 2 o'clock there was no communication west of Thibodaux, in Lafourche parish, but telegraph companies hoped to have wires up late this afternoon. From Thibodaux came a brief report that four persons had been killed there. Eleven persons were said to have been hurt. Property damage was heavy.

Five persons are reported to have been killed at Luling, La., a few miles west of New Orleans. It was said that they were all negroes.

Twenty-six people were reported injured in and about Luling. Property damage to the Luling plantation was estimated at a quarter of a million dollars, mostly to the sugar cane crop.

Apparently the storm did its greatest damage in a narrow strip in the southern part of the state, although wire communication with some points in the northern part of the state was uncertain since early today.

**(ASSOCIATED PRESS TELEGRAM)**

West Jefferson, O., Oct. 23.—Not hearing the shouts of persons who sought to warn him of the approach of Pennsylvania passenger train 12, A. A. Likins, six, was run down and instantly killed today while working on a bridge that spans Big Darby creek.

## ACCUSED WIDOW OF ADMIRAL EATON TO TAKE WITNESS STAND

**(ASSOCIATED PRESS TELEGRAM)**

Plymouth, Mass., Oct. 23.—Today marked the opening of the defense in the trial of Mrs. Jennie May Eaton for the murder of her husband, Rear Admiral Joseph G. Eaton.

There was no forenoon session, court having adjourned yesterday until this afternoon in order to permit the lawyers for the defense to swear their witnesses. William A. Morse, chief counsel for Mrs. Eaton, delegated to his assistant counsel, Francis J. Geegan, the task of outlining to the jury the testimony which will be introduced in an effort to disprove the government's contention that the admiral's death was due to poison given him by his wife.

The defense will occupy about three days in the presentation of evidence.

Several prominent naval officers who were acquainted with Admiral Eaton during his active service are expected to testify as to his habits while in the navy. Among these will be Rear Admiral Charles E. Clark, retired. Attorney Morse said today that Mrs. Eaton would be called as a witness.

### Jerome Succeeds in Having Thaw Indicted for Conspiracy

## 20 WITNESSES EXAMINED

### In the Investigation Before New York Grand Jury Regarding Sensational Escape from the Matteawan Asylum.

**(ASSOCIATED PRESS TELEGRAM)**  
New York, Oct. 23.—A blanket indictment charging Harry H. Thaw and four others with conspiracy in connection with his escape from the Matteawan state hospital for the criminal insane in August was returned by the grand jury here this afternoon. It will be used as a weapon by William T. Jerome in his efforts to extradite Thaw from New Hampshire.

John Collins, proprietor of an Eighth avenue garage, was one of the first witnesses to appear at the Criminal courts building today when the grand jury began an investigation of Harry K. Thaw's escape from Matteawan. Collins, it was said, was asked about the renting of the black machine in which Thaw made his dash for liberty.

The Dutchess county grand jury in which Matteawan is situated, failed to return an indictment against Thaw for conspiracy, and an indictment is sought here as a weapon in the fight to extradite him from New Hampshire.

Twenty witnesses were under subpoena to testify before the Supreme court grand jury which met today for an investigation of the charges of conspiracy in connection with the escape of Harry K. Thaw from the state hospital for criminal insane.

The witnesses summoned were residents of Matteawan and New York, through whom Mr. Jerome hoped to show a conspiracy existed. Counsel for Thaw, on the other hand, were prepared to make strenuous efforts to prevent an indictment, on the ground that he is insane and therefore could not be called to trial. This stand will be taken on the basis of Justice Seabury's recent ruling that Thaw was an "insane person" when called as a witness in the recent investigation of charges against John N. Anhut.

The others indicted were former Assemblyman Richard Butler, Michael O'Keefe, "Gentleman Roger" Thompson and Eugene Duffy, who are alleged to have been Thaw's companions in the automobile in which he escaped. These are the same men for whom warrants were issued in Dutchess county after Thaw's flight. Bench warrants on today's indictment were issued by the court and turned over to detectives of the district attorney's office.

Mr. Jerome announced that he would at once ask Governor Glynn for extradition papers based on the new charge to be sent to the governor of New Hampshire.

## CULBERSON IS CHARGED WITH MURDER

**(ASSOCIATED PRESS TELEGRAM)**

Ray, N. D., Oct. 23.—L. D. Culberson, accused of shooting D. T. Dillon, Mrs. Dillon and their twelve-year-old daughter, Lena, at their home near here yesterday, was arrested today on a Great Northern train and brought here and placed in jail. Mrs. Dillon and her daughter were instantly killed. Dillon received four bullet wounds, two in the back, one in the face and one in the neck and is not expected to recover. Dillon, the officers say, has identified Culberson, a former husband of Mrs. Dillon, as the murderer.

Culberson, according to Dillon's story, called yesterday and inquired for work. Culberson accompanied Dillon to the barn where he opened fire on him. Mrs. Dillon, hearing the shooting, started toward the barn and was shot before reaching the building. The girl was killed while in the house. Several hours later a neighbor passing the house heard Dillon's feeble call for help and investigated. Culberson refuses to make a statement.

## Over 200 Miners Entombed By Explosion in Dawson Mine; 48 Known Dead, 25 Rescued

Baltimore Bride of Millionaire's Son.

Hundreds of Mothers, Wives and Children Crowd About the Mouth of the Mine Awaiting News from the Hundreds Engaged in Rescue

## OFFICIALS BELIEVE OTHERS WILL BE FOUND ALIVE

Many Opinions as to Cause of the Explosion—At This Time of Year Mines Become Dangerous from Prevalence of Coal Dust Which is Hard to Keep Under Control—Rescue Trains With Experts Arrive Today and Greatly Facilitate the Work—A Special Train Rushed from El Paso With Corps of Physicians.

**(ASSOCIATED PRESS TELEGRAM)**  
Dawson, N. M., Oct. 23.—What is the fate of approximately 200 men remaining in the workings of No. 2 Stag Canon mine, who, with 42 known dead and 25 rescued alive, were entombed by a terrific explosion at 3 o'clock yesterday?

This was the question on the lips of hundreds of mothers, wives and children today as they pressed the line of guards thrown about the mouth of the mine. This was the unconscious incentive that spurred hundreds of volunteer rescuers in an endeavor to penetrate workings strewn with debris and filled with poisonous gases. Clearly the hopefulness that pervaded the camp immediately following the explosion and throughout the night had given way today to evidences of doubt.

"When we reach the air-shaft we will find many men safe," was the hope voiced throughout the night. Three men alive and only partly conscious and three bodies was the reward when the air-shaft finally was reached today. However, mine officials still insist that others will be found alive.

**(ASSOCIATED PRESS TELEGRAM)**  
Dawson, N. M., Oct. 23.—Between 193 and 243 men were still entombed in shaft No. 2 of the Stag Canon mine of Phelps, Dodge & Co. at 7 o'clock this morning, more than twelve hours after the explosion in the depth of the workings. Fourteen bodies were recovered during the night. The twenty-third living victim of the disaster was found at the depth of a mile in the workings and taken out unconscious at 7:30 this morning.

Indications early were that the first aid corps working under the direction of J. B. Morrow, would reach the majority of the day shift, which was caught in the cave-in sometime today. Hope was strong that the great fans that have been driven all night would have diluted the gas so that the trapped men might be found alive.

Opinions as to the cause of the explosion differ. It was first asserted that black damp ignited and exploded. Later it developed that at this time of the year the mines in the adjacent southern district of Colorado become dangerous from the prevalence of coal dust which no amount of water seems able to keep under control, and led to the belief that the same condition might have caused the disaster here.

During the all-night fight with the debris the rescuers penetrated to the fourteenth level, about a mile into the side of Black Mountain and they were yet far from the more than 600 remaining victims. The 23 who were rescued before daylight were picked up along the levels in ones and twos and could only point the way onward to the depths for the rescuers to go in.

The federal rescue train which started from Denver, due here at noon, another is coming from Rock Springs, Wyo., and a third from Pittsburg, Kansas. Before they arrive, however, it is expected the volunteer rescuers, organized here, will have reached the entombed.

Dr. James Douglas, of Douglas, Ariz., general manager of Phelps-Dodge & Company of New York, owners of the mine, is reported from El Paso, Texas, to be coming here on a special train with a corps of physicians.

The Stag Canon mine was consid-

## CALLS BEILISS TRIAL BLIND AND GROSS BLUNDER

Kiev, Russia, Oct. 23.—When the trial of Menelik Beiliss for the murder of the Christian boy, Yushinsky, in March, 1911, reopened this morning the prisoner's counsel called the attention of the presiding judge to the fact that although the court sat yesterday from early in the morning until midnight, the prisoner's name was not mentioned even once. Counsel also asserted that the trial was a "blind and gross blunder."

At the conclusion of the article it

erred a model of coal mine engineering and the disaster that befell it yesterday has staggered this town of 15,000, composed for the most part, of Italian miners.

The news of the explosion carried over the buttes and arroyos of the mountains gathered most of the settlers and ranchers within 50 miles and when morning broke today thousands filled the little town eager to help the 300 or more miners who had worked in the depth of the mountain in shore shifts all night. From the hour of the explosion until nearly midnight, gas filled the levels, making it sure death to enter without an oxygen helmet.

After midnight the air, which had been steadily forced into the mine, began to gain and it was possible to increase the rescue force.

Rescuers this morning reached the foot of the airshaft through which it had been hoped that many miners might escape alive.

## TOP NOTCH WHEAT GROWER EARL BRIGHT

Putnam County Boy Raised Over 54 Bushels on an Acre of Ground.

One Hundred and Nine Boys Finished the Test—25 Boys Grew Over 100 Bushels.

Farming to beat the old folks is the game at which boys now play in Ohio. Earl Bright, Putnam county, wins first prize, \$100 cash, in state wide acre of wheat contest. His yield was 54 bushels and 37 pounds. His acre plot was 40 rods long, 4 rods wide. Long way north and south. He placed a solid wall of corn fodder on the west side of plot. This protected and permitted snow to drift and remain upon his acre. Mr. Bright used stable manure and commercial fertilizer. He planted the Red Indian variety of wheat. He is offered a flat price for every bushel. He also wins a free trip to Washington from his County Agricultural Society.

One hundred and nine boys finished the test. Twenty-five boys grew over 100 bushels. The average yield of the 100 was 27.4 bushels per acre. The ten year Ohio average for men is about 14 bushels. The boys have proved that there ought to be better farming in Ohio.

These boys have won a victory that makes Harry K. Thaw look like a cocked hat. The Agricultural Commission intends to give all encouragement possible to the Junior Army of Ohio. Here are the names of the 14 wheat winners:

E. Bright, \$100. Putnam: 54.61 bu. Red Indian.

H. Sandow, \$75. Huron: 51.09 bu. Red Wave.

J. W. Melick, \$50. Perry: 46.17 bu. Pooie.

R. Jarvis, \$40. Holmes: 46.00 bu. Russian Red.

M. Brandt, \$30. Seneca: 45.36 bu. Pooie.

H. Bolman, \$25. Henry: 45.09 bu. Pooie.

E. Schutz, \$20. Putnam: 44.76 bu. Harvest King.

J. Stein, \$15. Lucas: 44.58 bu. Russian Red.

L. Perry, \$10. Fulton: 44.33 bu. Pooie.

E. S. Gault, \$5. Medina: 43.9 bu. Pooie.

R. Verhoff, \$4. Putnam: 43.74 bu. Nizier.

J. Miller, \$3. Huron: 43.74 bu. Pooie.

D. Stutz, \$2. Darke: 43.51 bu. Pooie.

A. Rose, \$1. Allen: 43.41 bu. Pooie.

Two disinterested men appointed by county commissioners, in county where wheat was grown, measured the ground, assisted in threshing and weighing of wheat and certified the result and yield to the Agricultural Commission.

**NATURAL CAKE OF SOAP.**

An odd and useful plant of our Pacific coast is the soaproot. The crasslike, wrinkled leaves appear close to the ground in the spring, and are known to every Californian country-dweller. They grow from a deep-rooted bulb incased in coarse fiber. If the fiber is stripped off and the onion-like bulb crushed between the hands, it is rubbed in water as one uses a cake of soap a plentiful lather results, as cleansing as any soap bought in a store.—Nature and Science, in November St. Nicholas.

**BAKER MAY QUIT  
BASEBALL; WILL  
ENTER BUSINESS**

Philadelphia, Oct. 23.—Baseball fans in this city were startled Wednesday when a report became current that John Franklin Baker, third baseman of the Athletic baseball team, the world's champions, might quit the game to enter upon a business career.

It was said that while Baker has not yet decided upon his future plans, he is seriously considering such a step.

Connie Mack when asked about the report said he had heard nothing from Baker regarding the matter.

"I am inclined to believe," said Mack, "that Baker will be seen with the Athletics next season. If he does quit the game there is nothing for us to do but to fill his place."

## AN EXPERIMENT FARM IN COUNTY WOULD DO GOOD

The Agricultural Commission of Ohio believes in county experiment farms. Such farms properly managed prove a blessing. Farmers do not generally travel to Wooster and inspect the State Experiment Farm. The Experiment Farm must come to the farmer. Wooster has learned many lessons that are a valuable guide in establishing county farms. At any regular November election, any community can vote on the question of having such a farm. It must contain at least 50 acres. These farms are usually opposed by farmers and favored by towns and cities in the voting. After they are established, they put money in the pockets of those who voted against the farm. The farm furnishes good, tested seed, adapted to the soil and climate of that immediate neighborhood. The farm furnishes this good seed to the farmer at a lower price than it can be secured elsewhere. The man who kicks the longest against the farm usually wants the most seed at the lowest price. One bushel of good seed from the farm at a reasonable price will repay all the taxes which the average farmer will pay toward the cost of such a farm. By smoking one cigar less and investing in such a farm, Mr. Farmer can make money instead of burning money. The farmer who keeps books and knows something about arithmetic usually favors progress.

Great Popularity of Plan to Sell Medicine at Half Price and Guarantee a Cure.

W. A. Erman, the enterprising druggist rather than await the ordinary methods of introduction, urged the Dr. Howard Co. to secure a quick sale for their celebrated specific for the cure of constipation and dyspepsia by offering the regular 50c bottle at half price.

In addition to selling a 50c bottle of Dr. Howard's specific for 25¢ Mr. W. A. Erman has so much faith in the remedy that he will refund the money to anyone whom it does not cure.

When your head aches your stomach does not digest food easily and naturally when there is constipation, spasms before the eyes, tired feeling, giddiness, bad taste in the mouth, coated tongue, heart burn, sour stomach, roaring or ringing in the ears, melancholy and liver troubles Dr. Howard's specific will cure you if it does not it will not cost you a cent.

This latest achievement of science is of great value in curing sick headache. Thousands of women are today free from that painful disease solely through the use of this specific.

Marion, Oct. 23.—The officers were chosen by the Ohio Baptist convention here yesterday:

Rev. S. F. Horget of Cincinnati, president; Rev. J. G. Mansson of Toledo, vice president; Rev. Charles J. Rose of Granville, corresponding secretary; Rev. E. A. Read of Springfield recording secretary, and Rev. R. S. Caldwell of Granville, treasurer.

The delegates, numbering more than 400, were entertained at luncheon yesterday by Dr. C. E. Sawyer at White Oaks Sanitarium. Home and foreign missionary work and rural church were topics of interest at yesterday's session.

The association contributed \$5,000 of the \$40,000 raised in one month to pay off the debt on the new Trinity church, in which the convention is being held.

Twenty-eight new ministers entered the work during the year in Ohio.

The Ohio Baptist Brotherhood last night elected the following officers: President, Dr. Walter A. King of Marion; first vice president, C. S. Brown of Cincinnati; second vice president, H. P. Reinbold of Ashland; secretary, David E. Green of Cleveland; treasurer, F. A. Morrison of Columbus.

### WILL REDUCE THE HIGH COST TO HOUSEWIVES

Philadelphia, Oct. 23.—Philadelphia housewives and retail butchers organized yesterday to fight the high cost of living by cutting out the middleman's profits. Leaders of the movement promise that the price of meats, butter and eggs will be reduced 10 to 20 per cent. below current rates. The housewives under the leadership of Mrs. William B. Deer, who conducted the egg crusade here last winter, agreed to give their patronage to the butchers who are forming an organization to buy direct from the producer.

Efforts are being made to enroll 5,000 butchers in the organization which proposes to buy beef directly from Argentina and eggs and butter from western dairies and creameries.

## HARRY ROSELL.

Candidate for President of the Council, was born in Newark in 1863 and has lived here all his life.

Mr. Rossell after engaging in many businesses in various parts of the city entered public life in 1888 as Councilman from the old Fifth Ward.

During his term as councilman, he has introduced and ardently supported a number of important matters of legislation badly needed in his part of the city. He has caused the paving of Union, Williams, Maholm and other streets and has caused the construction of several important sewers. He has diligently prosecuted the fight for relief from the overflow of the Hollow Ditch and has been instrumental in bringing this matter to the point where it is now in the hands of the city's legal department in conjunction with the township trustees.

Mr. Rossell's record for conscientious performance of duty should be sufficient reason for his hearty support by all Fourth Ward voters.

## P. W. FAUST.

Socially Mr. Rossell belongs to the Masons, Knights of Pythias, Elks, Moose, Ayes, Red Men, The German Benevolent Society and the German American Alliance.

## FRANK MUENZ.

Frank Muenz, councilman from the Fourth Ward and a candidate for re-election is soliciting the support of voters in West Newark on his record of past performances in the office of councilman. He was appointed about three years ago to fill an unexpired term and was elected two years ago by a majority which indicated that his year's work was entirely satisfactory to the taxpayers of his section of the city.

He has served in council as president pro tem and as chairman of the finance committee, the most important of the committees which掌管着 the council's work. Particular care in connection with the work of the finance committee and Mr. Muenz

# "CASCARETS" FOR COSTIVE BOWELS

No Constipation, Diarrhoea, Head-ache, Stomach, Bowel Distress, Indigestion or Foul Breath.

Get a 10-cent box now.  
Puffed Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swift barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle, cleansing, too.

## Society

Transformed by the use of myriads of chrysanthemums shading from yellow to white, the Charles A. Smith home in Hudson avenue was attractively pretty on Wednesday afternoon when Mrs. Smith entertained with a reception, during which Miss Leontine Moore, her niece, was presented.

Receiving with Mrs. Smith and Miss Moore, was Mrs. Clay Van Voorhis, while in the parlors the assistants were Mrs. Dennis McNair, Mrs. Howard Jones, and Mrs. Horace Dunston. The guests were invited to the dining room by Mrs. Edward Williams and Miss Rhea Ingler, and in the dining room the aides were Misses Louise Jones and Louise Norrell, who poured the liquids, while assisting in serving were Catherine Sedgwick, Margaret Moore and Catherine Musser.

In the parlors and reception hall, white chrysanthemums and a profusion of greenery were used, while in the dining room the color effect was yellow and green. The luncheon table was surmounted by a wicker basket laden with moss and great clusters of the favored chrysanthemum in yellow. These flowers also adorned the buffet and the candles on the table were canopied in the same color. All lights in the room were softened by yellow shades and the electricians were festooned with silk.

The dimmed lights and masses of flowers formed a fitting back ground for the beautiful gowns of the guests. Mrs. Smith wore a gown of chiffon and charmeuse in ivory pink and wore a cluster of pink and white roses. Miss Moore's gown was of parrot green, the deeper tones melting into the lighter in the draperies of chiffon. She wore a corsage bouquet of pink rosebuds.

Mrs. Van Voorhis was costumed in black charmeuse and her flowers were yellow chrysanthemums. The hours were from two to five, and the guests were received at the door by Little Miss Elizabeth East. The guest list numbered about seventy-five.

Over 400 club women of Ohio were present at the banquet given by the Century Club to the Ohio Women's Federation which is in convention assembled in Chillicothe during this week. The banquet was given on Wednesday evening in the Elks' Hall

100 months of preparation were exhibited in the display, the predominating scheme being in white and yellow, the colors of the club.

The banquet was presided over by Mrs. James R. Hopley of Bucyrus, and about thirty women were called upon to respond. The big theme was "Women's Work for Women."

Mrs. Hopley is a favorite both in Newark and Granville, her home being in the latter city for several years. Mrs. Hopley was formerly Miss Elizabeth Sheppard.

Among the many pretty afternoon parties of the week was the thimble party given on Wednesday afternoon by Mrs. O. C. Jones when she entertained at her Hudson avenue home. The company of thirty guests was invited to the Jones' home to meet Mrs. Dickerson, of Wilkesbarre, Pa., who is the guest at the home of her brother, Mr. and Mrs. W. L. Trout in East Main street.

The pleasure of the party was enhanced by the attractiveness of the decorations which were effected by the use of yellow and white chrysanthemums.

The only other guest, aside from Mrs. Dickerson, to reside out of the city, was Mrs. Luther of Terre Haute, Indiana.

When Mrs. Augusta Chambers entertained at her home in Hudson avenue on Tuesday afternoon with a thimble party the luncheon table was a thing of beauty. The center was adorned with a basket filled with greenery and yellow chrysanthemums, and the whole was lighted with individual candles in yellow wicks, canopies of the same color.

Mrs. Chambers' guests were: Mrs. Giles Smucker, Mrs. Charles A. Smith, Mrs. A. B. Schauweker, Mrs. Charles Wesson, Mrs. W. G. Corne, Mrs. Jos. Horner, Mrs. William Ingler, Mrs. James Irwin, Mrs. Annie Barrows Hatch, Mrs. James Lewis, Mrs. Eckfeld, Mrs. Don Tullis, Miss Dora Lisle, and Mrs. Luther of Terre Haute, Ind., the mother of Mrs. Tullis.

On Tuesday evening Miss Clara Copeland delightfully entertained the members of the San Suci club at her home in Maple avenue.

A delightful Hallowe'en barn dance, given Tuesday evening by Miss Charlotte Barber of Summit street, proved an enjoyable event. The decorations of autumn leaves and pumpkins were in keeping with the season. The evening was spent in dancing and at a late hour a luncheon was served the following guests: Misses Donna Beabout, Emma Siegel, Octie Beabout, Ella Siegel, Louise Wolfe, Dora Siegel, Charlotte Barber, Frances and Sophie Siegel, Messrs. Cary Wolfe, Harry Williams, Arthur Haag, Stanley Wolfe, Paul Gregg, Balcum Wolfe, Norris and Paul Taylor, Stanley McKnight, Elmer Vance, Edward Barber and Henry Wolfe.

WEISS—HULL.  
Married by W. W. Miller, justice of the peace, at the residence of Foster Moran in Mary Ann township on October 20, Mr. Jessie Weiss and Miss Hele Hull, both of Newark.

Mrs. George Haden of Hudson avenue, entertained the No Name Pedro club on Tuesday afternoon. At the conclusion of play prizes were given Mrs. C. E. Irwin and Mrs. Joseph Moser. Luncheon was served the members and guests. Mesdames Geo. Miller, Charles Letturs, John Graef, N. E. Vanatta, W. L. Jackson, and Charles Evans.

Mrs. Fred Imhof entertained the Art Embroidery club Wednesday at her home in Maple avenue. Several hours were devoted to needle work, followed by a dainty luncheon was served. Mrs. Mary Coon was a guest of the club. One new member answered the roll call. Mrs. Henry Rhinehart of 432 Maple avenue will be the next hostess to the club.

# EMPEROR IS INTERESTED IN WHITE PLAGUE

**ASSOCIATED PRESS TELEGRAM**  
Berlin, Oct. 23.—The German emperor attended the formal opening of the international tuberculosis conference here today. Delegates from 22 nations were present. Her Majesty, in designation as a patroness of the conference, said she was "intensely interested in the endeavors to combat the scourge of tuberculosis."

The sessions, which will continue three days, are held in the hall of the Prussian diet. Imperial Vice-chancellor Clemens Beust welcomed the delegates this morning.

The feature of his address was an elaborate tribute to the extraordinary energy and success with which the fight against consumption has been conducted in the United States.

At today's forenoon sitting the general subject of "tuberculosis and mankind" was dealt with from many points of view. Dr. Hans Muhs of Hamburg, director of the institute for the investigation of tuberculosis, declared that immunization against tuberculosis by cultures of living bacilli or by vaccination with dead matter would be only rarely successful, because of the composite character of the tubercular bacilli. On the other hand he considered that immunity from the disease might be and was produced by counter agents in the human body.

Dr. Louis Renon of Paris, one of the leading French authorities, discussing results from various methods of treating tuberculosis offered indirectly an explanation for the apparently satisfactory results in some instances of Dr. Friedmann's much discussed treatment. He declared that extreme caution must always be used in judging a new anti-tuberculosis treatment, "since it may be accepted as a principle that every new method of treatment, providing that it is harmless, will at first give satisfactory results."

The official American delegates to the conference are Dr. Livingston Farrand of New York; Dr. Henry Barton Jacobs of Baltimore, and Dr. Stephen Maher of New Haven. A number of other American physicians are present.

## 16 INDICTMENTS RETURNED IN THE ELECTION FRAUDS

**ASSOCIATED PRESS TELEGRAM**  
Chicago, Oct. 23.—Sixteen indictments were returned by a special grand jury today in connection with an investigation of alleged election frauds here in November, 1912. More than fifty indictments, some of them of prominent politicians, previously had been returned in the case.

## SOCIAL SESSION HELD BY D. OF A.

Following the business session of the Daughters of America, Wednesday night, at which were received reports on presentation of the Hartzler school flag, and matters discussed relative to presenting the Keller school flag, a social session was held.

The impromptu program consisted of:

Vocal solo—Mrs. Ben Hoover.  
Reading—Mrs. Jennie Winn.  
Reading—Miss Louise Andrews.  
Reading—Miss Della Cott.  
Contest—Mrs. Minnie Goode, first prize: consolation, C. P. McGath. The evening's social features were brought to a close with the serving of refreshments.

## POLICE NAB FIVE ON MURDER AND ROBBERY CHARGES

**ASSOCIATED PRESS TELEGRAM**  
Chicago, Oct. 23.—Five persons declared by the police to have been implicated in the triple murder incident to the robbery of the jewelry store of J. J. Thompson at Grand Rapids, Mich., Sept. 18, were arrested here today. The prisoners are Roy Blackburn and his wife, Rose Dennis Kleeman and two others, whose names for the time being are being withheld. Blackburn is said to have been identified by an employee of Thompson. The arrests were made in a west side rooming house. The robbery occurred in the afternoon and netted the perpetrators jewelry valued at \$5,000. John A. Thompson and Edward Smith, clerks in the store, were shot dead when they rushed to the assistance of Paul Townsend, a watchrepairer who had refused to open the safe at command of the robbers. Townsend was fatally wounded.

I know it was coffee, because when I would leave it off for a few days I would feel better. But it was hard to give coffee up, even though I realized how harmful it was to me.

"At last I found a perfectly easy way to make the change. Four years ago I abandoned the coffee habit and began to drink Postum and I also influenced the rest of the family to do the same.

"Even the children are allowed to drink it as freely as they do water. And it has done us all great good. I no longer suffer from indigestion, and my nerves are in admirable tone since I began to use Postum. We never use coffee any more."

"We appreciate Postum as a delightful and healthful beverage, which not only invigorates but supplies the best of nourishment as well." Name given by Postum Co., Battle Creek, Mich.

Write for the famous little book, "The Road to Wellville."

Postum comes in two forms:

Regular Postum—must be well boiled.

Instant Postum is a soluble powder. A spoonful dissolves in a cup of hot water, and with sugar and cream makes a delicious beverage instantly.

Drink it instead of coffee...

## This Home-Made Cough Syrup WILL Surprise You

Cough Soother, but there is nothing like it at any Drugstore. Fully Guaranteed.

Here is a home-made remedy that takes care of a cough almost instantly, and will usually conquer an ordinary cough in 24 hours. This recipe makes a medicine for a whole family. You couldn't buy much or any good ready-made cough syrup for \$2.50.

Minced mint and granulated sugar with ½ pint of water. Boil for 15 minutes. Put ½ ounce of Pinex (fifty cents a pound) in a pint bottle and add the flavor extract. This keeps perfectly and has a pleasant taste—children like it. Braces up the appetite and is slightly diuretic, which helps end a cough.

You probably know the medical value of pine in treating bronchial asthma, bronchitis, spasmodic cough and whooping cough. Pinex is a most valuable concentrated compound of Norway white pine extract, rich in guaiacum and other natural healing pine elements. Other preparations will not work in this combination.

The present results from this inexpensive remedy have made friends for it in thousands of homes in the United States and Canada, which explains why the plan has been imitated often, but never successfully.

A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. Your druggist has Pinex or will get it for you. If not, send to The Pine Co., Ft. Wayne, Ind.

## PREPARATIONS FOR STUDENTS OF AGRICULTURE

**ASSOCIATED PRESS TELEGRAM**

Columbus, Oct. 23.—The first formal step to provide accommodations for the numbers of short course agriculture students expected at Ohio State University in January was taken by the state agricultural commission today when it decided to have an architect prepare plans and specifications for changes necessary to make buildings at the state fair grounds suitable for class rooms. It is probable that the commission will make these changes and all winter course agricultural students will attend school in the fair grounds.

Already the university buildings are so crowded by students attending school throughout the entire year that there is little room, it is said, for additional agricultural students of the winter course.

## Obituary

**Mrs. Mary Jane Darkes.**

Mrs. Mary Jane Darkes, wife of John Darkes of Granville township, died early Thursday after an illness of several months. Mrs. Darkes was a patient in Grant Hospital, Columbus, for some time and was brought to her Granville township home a week ago in the Basler and Bradley ambulance. Mrs. Darkes was born in Licking county Sept. 5, 1858, and was therefore past 55 years of age at the time of her death. Her husband and several other relatives survive. Arrangements for funeral and burial have not been completed.

## Mrs. Hilfinger's Funeral.

The funeral of Mrs. Wm. Hilfinger, 196 Elmwood avenue, will take place tomorrow at 2 o'clock. Services will be conducted at the home and burial will take place in Cedar Hill cemetery.

The Cotillion club has issued invitations for a dance which will be given at Assembly Hall on Tuesday evening, October 25.

The minute a man starts out to be up and doing, the rest of us want to know what he is up to.

## RESINOL RELIEVED ITCHING AT ONCE

And Completely Cured Skin Troubles.

Nov. 1, 1912.—"At first little red spots were seen on my arms and body, which I noticed were getting larger every day. They itched so much that I scratched them until I bled. There were times when I stood up all night and scratched. I was troubled about three weeks, during which time I used Resinol, which seemed to do me no good whatever. Then finally, I thought of trying Resinol Soap and Resinol Ointment. As soon as I applied Resinol Ointment I felt much relief. After using it a few times, I noticed the sore spots slowly fading away, and in about a month I was cured." (Signed) Adolph Schloss, 742 Shepard Ave., Brooklyn, N. Y.

The soothing, healing balsams in Resinol Ointment and Resinol Soap, penetrate every pore of the skin, clearing it of all impurities, driving away eczema, rashes, ringworm, psoriasis, and other eruptions, and making pimples and blackheads impossible.

Prescribed by physicians for eighteen years. For free samples write to Dept. 16-M, Resinol, Baltimore, Md. Every druggist sells Resinol Ointment (in opal jars, 5c and \$1.00) and Resinol Soap (25c per oz).

## PYTHIANS IN CONVENTION AT ALEXANDRIA, O.

One of the largest county conventions of the Knights of Pythias ever held in this county was that which assembled in Alexandria, Wednesday evening, about 225 Knights being in attendance. Newark was well represented with 50 members, each local lodge sending about 25, a number of whom went in automobiles, the balance going to Granville on the electric car and there taking the Burkham motor truck for the rest of the journey.

These county conventions are annual affairs and heretofore have mostly been held in Newark, but this year County Deputy E. L. Schmidl thought it would be a plan to hold the meeting with one of the smaller lodges and thereby stimulate interest among the faithful brethren in the rural districts. To say that his plan was a success would be putting it mildly. The crowd was there and enthusiasm galore was on tap all evening, and each and every one was glad he was present.

While the brethren were assembling in the fine castle hall of Alexandria Lodge, No. 704, an orchestra of 10 pieces rendered several excellent selections. At eight o'clock the convention was called to order by Dr. Laycock, who in a few brief remarks introduced County Deputy Schmidl as the chairman of the meeting. Mr. Schmidl explained the purpose of the county convention and why it was held there, after which he called for reports from the various lodge deputies or their duly accredited representatives, all of whom gave splendid reports of the work of the previous year and gave promises of good things in the future. B. O. Horton gave the report for Newark Lodge, No. 13, Newark; Dr. Rohrer, Altamah Lodge, No. 256, Granville; C. E. Root, Roland Lodge, No. 305, Newark; F. D. French, White Cross Lodge, No. 308, Johnstown; G. L. Hartman, Pastaskala Lodge, No. 518, Pastaskala; C. C. Warthen, Utica Lodge, No. 555, Utica; Rev. Mr. Alexander, Alexandria Lodge, No. 704, Alexandria; C. E. Bronson, Croton Lodge, No. 746, Croton.

The Grand Chancellor of Ohio was represented by Dr. E. W. Tidd of Alhambra Lodge, No. 554, Stockdale, O., who is a candidate for Grand Outer Guard, and Attorney A. A. George of Zanesville. Both of these gentlemen gave stirring addresses along the line of Pythianism and all that it represents. Their remarks were given the closest attention and they were enthusiastically applauded at the close. Dr. Tidd is making a circle around the state this week in his campaign for Grand Outer Guard, and he congratulated the brothers present on their fine turnout, saying it was one of the best he had ever witnessed.

Other speakers included Congressman W. A. Ashbrook, Sheriff F. E. Slabaugh and ex-Judge Walter Irvine, and they lived up to their previous reputation as speech-makers and story-tellers for gatherings of this kind.

At 10 o'clock all adjourned to the town hall, where a fine banquet was served by the brothers of Alexandria Lodge, assisted by their wives. It was a feast of good things, and the way the Newark boys demolished everything within reach was good evidence that very few of them suffered from indigestion.

Taken altogether the affair was a grand success, and of the eighty-eight county meetings held this week in Ohio it is confidently predicted that few, if any, will surpass the one held in old Licking last night. Great credit is due County Deputy Schmidl for the success of the convention, for it was largely due to his tireless energy that the affair was the huge success it proved to be. But this is the way Ed does everything he undertakes and his fellow Knights of Pythias in Newark were not surprised at the results. The boys in Alexandria certainly did their share and deserve the highest praise for the efforts they put forth.

## THE NATIONAL SURETY COMPANY

The National Surety Company of New York is an institution that has gained great prominence throughout the country for its promptness, practical and efficient business methods. The editor of the Advocate can speak knowingly of the merits of this company in consequence of the promptness with which it transacted business in executing his bond as the Postmaster of Newark. Mr. Jas. W. Carroll, a well known man over the state, is general agent with headquarters at Columbus, and Mr. M. J. Reese is the local agent for Newark, who needs no words of praise for his competency and popularity as this fact is well attested by those who have had business experience with him.

## "ARSON SQUAD" IS MANAGING TO KEEP BUSY

London, Oct. 22.—The "arson squad" of militant suffragettes today set fire to and destroyed the Sports Pavilion of Bristol University. They left the usual tell-tale suffrage literature scattered about the grounds.

The public prosecutor decided today that he would not proceed against "general" Mrs. Flora Drummond, who was taken ill in June last while proceedings were in progress against her for infringement of the malicious damage to property act. She underwent an operation and since then has been continually ill health.

## —AND THE WORST IS YET TO COME

## TO DETERMINE STATUS OF THE BLIND RELIEF

Prosecutor J. Howard Jones Thursday received communication from Attorney General Hogan announcing that his department soon will institute a legal test case to determine the status of the blind relief laws, interpretation of which has become confused.

The latter announces the opinion that all relief payments which have accrued under the act prior to August 12, 1913, shall be paid. In part the attorney general says:

"The former act for relief of the needy blind, section 2362, et seq., of the General Code, has, as you are aware, been pronounced unconstitutional by the supreme court of this state. The validity of the last act, i.e., the act of 1913, has been challenged. Most of the counties of the state, I believe, gave relief to the needy blind under the old act, without regard to the action of the common pleas courts of Franklin county and Hamilton county, which held the former act to be unconstitutional. Some few counties, however, declined to make further payments under the former act on account of the decisions of the said common pleas courts.

"This department is of the opinion that it is not only right but proper that all payments which have accrued or become due under the former act prior to August 12, 1913, the date when the new act, repealing the old act became effective, should be immediately paid to the persons entitled thereto. The status quo should then be preserved until we have a determination by the courts of the validity of the act of 1913—the last act."

## CUBS DENY DEAL FOR BRESNAHAN TO MANAGE BROOKLYN

ASSOCIATED PRESS TELEGRAM  
Chicago, Oct. 22.—Because President Murphy of the Chicago Nationals could not be found today, a story that Roger Bresnahan would be traded to Brooklyn to succeed Dahlem as manager, could be neither confirmed nor denied. At the Cub office it was said that no trade involving Bresnahan nor any one else in fact was being considered. Rumors of the deal did not

Captain Gilchrist, Annapolis.

Captain Gilchrist of the Annapolis eleven, is rated as one of the best ends in the country. For a time it appeared as if he would be shifted to quarterback, owing to scarcity of material for that important position on the Navy team. However, the development of Nall has made this change unnecessary, and Gilchrist is back in his place on the right wing of the line.

## 300 CANDIDATES FOR MOOSE DAY NEXT MONDAY

Big Illumination With Grand Parade to Be Followed by Initiation—Prominent Men to Be Present.

On Monday evening October 27, Licking Lodge of Moose will initiate a class of 300 candidates, among whom are some of the most prominent business and professional men of Newark. This will also be one of the greatest fraternal gatherings ever witnessed in central Ohio.

Acceptance of invitations and promises to be present have been received from Supreme Dictator Walter E. Dorn, prominent attorney of San Francisco, Cal.; Rodney H. Brandon, supreme secretary, of Anderson, Ind., and one of the foremost newspaper men of the country; Arthur H. Jones, supreme councilor and one of the most prominent attorneys of Indianapolis, Ind.; John H. Risbeck, supreme director and the one responsible for the laying of the foundation upon which the magnificent structure of Moosehead has been built; Hon. James J. Davis, director general, the Napoleon organization the founder and originator of Mooseheart, an institution which President Hart of Harvard says "is destined to be the greatest thing in the world."

Letters of regret have been received from President Woodrow Wilson, life member of Newark, N. J., lodge; Vice President Marshall, life member of Indianapolis lodge; the Blind United States Senator Gore, life member of Tulsa, Oklahoma, lodge; Miles Poindexter, United States Senator and life member of Seattle lodge, and numerous other prominent men.

All arrangements for the big parade have been completed. It will form on East Church street, marching up Church to Third, out Third to the South Side of the Square to Second street, out Second to the railroad, counter-march up Second to the North Side of the Square to West Main street, out Main to the High School Auditorium, which has been secured by the lodge for the occasion. The parade will be headed by 14 of Newark's brave policemen, all members of the order, followed by the Buckeye Band; next will be Sheriff Slabaugh, Mayor Swartz and other county and city officials, all members of the order; next in line will be the supreme officers and local officers, followed by members of Licking Lodge, Zanesville, Cambridge, Mt. Vernon, Mansfield and Columbus, Ohio. Zanesville will bring their celebrated Moose band as will Mt. Vernon. Large trucks will be used for the children of the members. The degree team will be in line with their \$1000 uniforms and red fire will be in abundance. No expense is being spared to make this one of the biggest demonstrations ever witnessed by any fraternal order in central Ohio. The doors are open to the public.

MURPHY DEALES TRADE  
Cincinnati, Oct. 22.—President Charles W. Murphy of the Chicago Nationals, who is in Cincinnati, denied today that Roger Bresnahan had been traded to Brooklyn and would succeed William Dahlem as manager of that club. Murphy said there was absolutely no truth in the report.

## CRUTCHES WOBBLED AND RIDENOUR FELL; STUMP OF LEG HURT

Would Bring Famous Basketball Team to Granville, Dec. 26—News of the Village.

A man with one leg usually thinks he has trouble enough of his own without adding to them by an over indulgence in the "bowls" that cheers. John Ridenour is not one of them. Though he lost his leg under the wheels of a train a few weeks ago, he had not been discharged from the hospital very long before he became intoxicated. Crutches refuse to act properly when worn by an intoxicated man and John's case was no exception to the rule. He fell in the court house park Wednesday night and injured the stump of his leg. He was given lodging and medical attention at the city prison and arrangements were being made Thursday to send him to the county infirmary for the winter.

The Phi Gamma Delta fraternity will entertain with a reception at the chapter house on Broadway, Saturday evening, from 7 to 10 o'clock in honor of their freshmen. Invitations have been issued to all the seminary students and also to a few Newark girls.

Theodore Johnson visited Newark Wednesday.

Mr. and Mrs. Horace Huffman and daughter, Jeanette, of Dayton, are spending a few days at the home of Mrs. L. A. Austin.

Mr. and Mrs. W. J. Pond of Granville, and son, H. W. Pond, of Chicago, spent Thursday in Alexandria with relatives.

The ladies of St. Luke's church will serve a chicken supper in the church parlors this evening between the hours of 5 and 7.

Funeral services of Franklin Peck Samson were held at the Baptist church Thursday afternoon. Rev. Brelsford officiating. Mr. Samson was one of Granville's most respected citizens and died at his home last Tuesday, aged 76 years.

Elbert Babb and Howard Davies were Newark visitors yesterday.

A meeting of the board of trustees of Denison University will be held Thursday evening. Several matters of importance will be discussed and it is hoped all the trustees will be present.

The Illinois club held a social meeting last evening and everyone had a very enjoyable time. The evening was spent in playing games and getting better acquainted with each other. At the close of the affair the girls passed around some delicious taffy. The club disbanded about 9:30 after singing "To Denison."

Howard Rugg was a Newark visitor Wednesday.

# AILING WOMEN OF MIDDLE AGE

Mrs. Hilbert Tells of Her Distressing Symptoms During Change of Life and How She Found Relief.

Fleewood, Pa.—"During the Change of Life I was hardly able to be around at all. I always had a headache and I was so dizzy and nervous that I had no rest at night. The flashes of heat were so bad sometimes that I did not know what to do."

"One day a friend advised me to take Lydia E. Pinkham's Vegetable Compound and it made me a strong well woman. I am very thankful that I followed my friend's advice and I shall recommend it as long as I live. Before I took the Compound I was always sickly and now I have not had medicine from a doctor for years. You may publish my letter."—Mrs. EDWARD B. HILBERT, Fleewood, Pa.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and inquietude, and dizziness, are promptly heeded by intelligent women who are approaching the period in life when woman's great change may be expected.

Lydia E. Pinkham's Vegetable Compound invigorates and strengthens the female organism and builds up the weakened nervous system. It has carried many women safely through this crisis.

## THE SHORT BALLOT

Is It Wise to Permit the Governor to Appoint the Secretary of State, His Auditor of State, the Treasurer of State and the Attorney General?

WE ANSWER WITH AN EMPHATIC YES.

### SECRETARY OF STATE.

THE duties of the Secretary of State are wholly administrative in character and are so determined by statute that he has very little discretionary power. In fact, his only duty which is not essentially ministerial in character is that of interpreting the election laws, and in this he must follow the advice of the Attorney General and the decisions of the courts. His duties do not compare in importance with the policy determining functions of the Secretary of State appointed by the President. Basing a judgment upon this federal experience, it is clearly wise to have this state office filled by the appointment of the Governor.

### AUDITOR OF STATE.

The best answer to the question, Shall the State Auditor be appointed by the Governor? is that the chief accounting officers of the United States, the Secretary of the Treasury, the Comptroller and Auditor, whose offices have been singularly free from criticism and accusations of corruption, have always been appointive

# FALL & WINTER DRESS GOODS

The tendency this season in dress goods is for soft fabrics, made necessary by the prevailing styles this fall for the soft, clinging, draped effects in dresses and waists.

Crepe materials are very beautiful and are one of the popular weaves this year—in both plain and fancy weaves. We are showing a line of brocade crepes and plain colors with the brocade effect to match; these are beautiful qualities of silk and wool materials, soft and clinging.

**44 INCH FANCY BROCADE** in navy, Copenhagen, purple—**\$1.50**

**39 INCH FANCY BROCADE** in navy, brown, pink, blue, white—**\$1.25**

**WOOL CORDUROY**—A beautiful soft wool fabric with a heavy stripe similar to a corduroy cord—50 inches wide—colors: scarlet, purple, Keiley green, garnet, Copenhagen. A yard—**\$1.75**

**FANCY STRIPE BROADCLOTH**—54 inches wide, soft, fine quality broadcloth with black stripe in colors: wisteria, black, navy, brown and Copenhagen. A yard—**\$1.50**

**WOOL EPONGES**—56 inch, all wool, soft finish ratine effect in colors: brown, navy and new blue. A yard—**\$1.95**

**WOOL MATELASSE**—These brocaded effects are all wool materials that will not crush—54 inches wide—colors: wisteria, mahogany, navy, brown, and Copenhagen. A yard—**\$2.00**

**CREPE PREMIER**—Crepe materials lead the demand in dress fabrics. Have you seen this beautiful fabric? A 44 inch pure silk and wool material, noted for its strength and durability. The texture is non-crushable; you can take this cloth in your hand and crush it in a small roll and when opened out it looks as firm and smooth as when first taken from the piece. A beautiful line of colors: brown, tan, reseda, navy, wine, old rose and black. **YOU OUGHT TO SEE IT**—yard—**\$1.00**

**COLEEN POPLINS**, **\$1.50 A YARD**—The best known poplin on the market. It is 42 inches wide, pure silk and wool. It is a fine, closely woven cloth that is soft and clings readily. It drapes beautifully and is reversible. Colors: navy, wisteria, Copenhagen, reseda, brown, tan, russet, cream and black. A yard—**\$1.50**

## BEAUTY CLOTH 25c a Yd.

The material in dress cottons that is being talked about. It is a new cloth we have just added to our stock. It is 27 inches wide, in a light weight ratine, with a crepe weave, a soft, silky finished material in rose pink, Copenhagen, lavender, navy and white. All—a yard—**25c**

## Perrin Gloves \$1 and \$1.50 pr.

The Famous French Gloves that stand for quality. You ought not be satisfied with any but the best. There is no doubt the quality of the PERRIN GLOVES—the finish and the fit are perfect. The stock is firm enough to hold a permanent shape yet is very elastic.

**THE CORONA**—The best lamb skin glove on the market; all colors: white, tan, gray and black. A pair—**\$1.00**

**THE LA MURE**—Real kid, 2 clasp glove; perfect in its fit and always holding its shape. Comes in white, black, tan and gray. A pair—**\$1.50**

#### ANNOUNCEMENT

Director

Licking County Agricultural Society

C. D. COLVILLE, EDEN TOWNSHIP

Election Saturday, Oct. 25, 1912.

## COUNTY IS ENTITLED TO 64 SALOONS

However Only 60 Licenses Will be Issued as no Applications Were Received From "Wet" Territory.

Had two townships and one village in Licking county cared to determine the basis from which the state liquor license board would arrive at the population of this county, there would have been an allowance for four more saloons. As it is, the state board has determined that sixty saloons will be allowed in Licking county under the new law, fifty-five of which may be granted Newark licenses.

This is five more saloons for the county than had been anticipated heretofore by the license commission.

The official estimate of population in the county is based on the vote at the last general election, Nov. 4, 1912, which gives Newark a population of 27,865. Under the figures prepared and approved by the state board Utica has a population of 2,058, and is entitled to four saloons, instead of three as had been previously supposed. There are only four applications filed for license in Utica.

Licking township, including Buckeye Lake, is estimated at a population of 217. There were eleven applicants for license at Buckeye Lake. One has withdrawn.

Hanover village, Hanover township and Fallsburg township are not represented in the list of applicants, although the state board finds that Hanover township, with a population of 1,027, would have been entitled to two saloons; Hanover village with 338 could have had one, and Fallsburg township, with a population of 675 also could have had one.

In short, sixty licenses may be granted. There are 100 applicants, and the county's population allows four saloons in territory from which there are no applicants.

The fact that part of the rural territory having the required population went "wet" at the last vote on the proposition, seems to have been overlooked by those who might have made application had they been aware of the situation.

## IMPORTANT MEETING OF COMMITTEE

### OVER TWELVE INCHES RAINFALL IN GALVESTON

(ASSOCIATED PRESS TELEGRAM)  
Galveston, Texas, Oct. 21.—Rainfall from 7 o'clock yesterday morning until 10 o'clock last night in Galveston amounted to 12 1/2 inches. There was little water in the streets today and street car traffic was resumed.

The city of Los Angeles has illuminated signs indicating the names of the streets, which are turned on and off by clockwork mechanism.

#### NO DIFFERENCE.

The Proof is Here the Same as Everywhere.

For those who seek relief from kidney trouble, weak kidneys, bladderills, doan's Kidney Pills—hope of relief and the proof is here in Newark, the same as everywhere. Newark people recommend Doan's and Newark people recommend in America for fifty years. Why suffer? Why run the risk of dangerous kidneyills—fatal Bright's disease. Here's Newark proof. Investigate it.

Mrs. Charles Judson, 124 W. Church street, Newark, Ohio, says: "We have used Doan's Kidney Pills in our family with such good results that I recommend them. One of us suffered a good deal from kidney trouble, and because Doan's Kidney Pills, procured from A. F. Crayton & Co.'s Drug Store, brought great relief."

If your backaches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mrs. Crayton had—the remedy backed by home testimony. See all stores, Foster-Millburn Co., Probst, Buffalo, N. Y.

#### N. Y., N. H. & H. STOCK REACHES LOW RECORD

(ASSOCIATED PRESS TELEGRAM)  
New York, Oct. 23.—President Wilson sent his first veto to Congress today. He disapproved a joint resolution to reinstate Adolph Unser of Mansfield, O., as a cadet at West Point. Unser, appointed by Representative Sharp, failed in examination after a strenuous effort to succeed and his friends sought another chance for him.

"I regret to do this, but I deem it my duty," wrote the president. "I have the greatest sympathy and admiration for young men like Mr. Unser, who seek in spite of difficulties to show their mettle; but I am convinced upon the careful inquiry
